

SC-DA

Conference Table Connectivity Box

With **Wireless Charger**

SEADA's SC-DA Connectivity Box provides an extremely simple, but stylish round multi-connection conference room connectivity solution with its unique wireless charger top.

DC-DA is an In-Desk Mount Connectivity Box which can be flush mounted into a desk or boardroom table to provide discreet, out-of-the-way storage and connectivity of a wide range of AV inputs and outputs.

By pressing down gently on the lid, the unit opens and closes with damping top. SC-DA is fast and easy to install and maintenance making it ideal for any conference room, classroom and meeting room.

Features

- Multi connectivity ports
- Damping Lid
- Stylish and discreet design
- Wireless charger for smart phones
- Sandblasted anodized aluminium top finish
- Universal power socket is compatible with all sorts of power plugs
- Easy to install and terminate
